

DSO Map'S data

Sources:

¹ National dataset have been collected by DSO Entity's Country Expert Group and relate to electricity DSOs in the European Union.

² Concentration of electricity DSOs taken from Eurelectric, "Grid for Speed Report", 2024. [Grids-for-Speed Report.pdf](#)

³ Please note the percentage displayed for the roll-out of smart meters in Bulgaria is an estimate and refers, in absence of legal definition of smart meter functionalities, to meters supporting smart metering.
